

Orwell Village Public Water System Customers

WE NEED YOU

Help Us Get the Lead Out

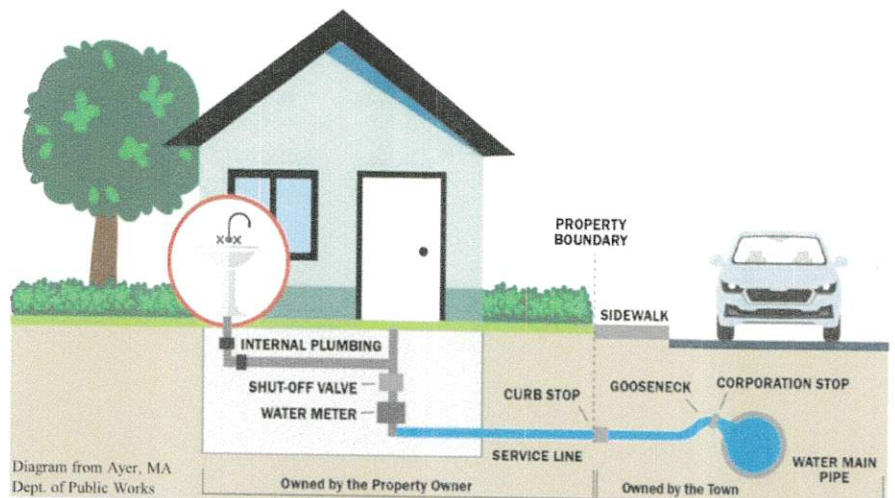

What?

- To protect our customers from lead in drinking water, we are working to identify and catalog all service lines, including those in your home.
- To limit cost and disruption to residents, we need your help identifying your home's service line, which connects your residence to the main water distribution pipes.
- Those who complete the survey by June 30th, 2024 will receive a \$10 credit on their December bill.

How?

Please use the link <https://forms.office.com/r/a71nGMxLYq> or QR code below to complete the short survey or contact us for a paper copy. This survey will walk you through how to identify your home's service line.
